Summary

i got nostalgic seen the mini 4wd on my parents house and decide to draw them maybe folks out there got the same thing

Hobby & Makers > RC & Robotics

Tags: mini tamiya 4wd

this is all the time best childhood toys and the anime mostly marketing haha

so i decide to make one, so folks can 3d print it

quite engineering they make on TAMIYA, then i measure the dimensions using calipers can be an inspiration for designing

if you want to tip me : https://ko-fi.com/manray69420
